WHY CHOOSE OUR CONSOLES?

- **Flat-pack option** – units supplied individually packed in robust cartons, for easy storage.
- **Pre-assembled option** – ensure your units are built to the highest standard.
- **Step-by-step assembly instructions in each box.**
- **Pre-drilled holes with robust inserts.**
- **Cabinet dimensions** H 850mm x D 390mm x W 540mm
- **Junior Cabinet dimensions** H 590mm x D 390mm x W 500mm
- **Optional nylon sacks** – these highly durable sacks have been specifically designed for our consoles and feature high quality stitching and metal security eyelets.

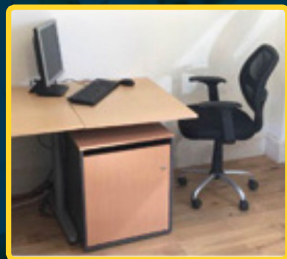

If **flat-packed**, the console will be delivered in cardboard packaging. **Assembled** consoles are delivered with protective cardboard packaging.
